

## Report bugs while testing page biblio.ebookpoint.pl

ID.D1

Simon Kowalak

21.01.2021

Title

User can't redirect to product site by clicking on image – inactive and blank area

Priority

Medium

Testing environment

Windows 10 / 87.0.664.75

Steps to reproduce

1. Open <https://biblio.ebookpoint.pl/>
2. At top menu click on „Biblioteki”
3. Scroll down to footer and click „Sprawdź” button
4. Move mouse cursor over product image / click on its image

Expected result

When mouse cursor overlay image it's an active link / User should be redirected to product page after mouse click

Actual result

Product image disappear / click on blank area doesn't redirect to product page
